

L A S T E C®

Manufacturer of the
World's Only High-Definition
Articulating Mowers

TURF/COMMERCIAL MODEL 721XR

Proven on the World's Best Championship Courses

Mow with one of the most impressive mowing decks in the world. Imagine the perfection you will achieve with seven 21" (533.4 mm) decks. That translates to a 132" (335.28 cm) cut in one pass with the finish of seven individual precision mowers. Budget-minded customers who own a tractor can pay a fraction compared to self-contained options.

The 721XR is the original Articulator and the standard by which all other mowers are gauged.
